Considerable difficulty is very frequently experienced by Patients in obtaining the necessary Recommends.

A large number of Recommends are in the hands of Subscribers, to whom, it is believed, very few applications are made for them.

The Committee would be glad if such Subscribers would send any Recommends they are not likely to use to the Secretary, Infirmary, who will see that a proper use is made of Recommends entrusted to him.

REPORT

OF THE

BOARD OF MANAGEMENT

OF THE

DEWSBURY & DISTRICT GENERAL INFIRMARY.

For the Year ended 31st December, 1927.

IN presenting the 51st Annual Report and Statement of Accounts for the year ending December 31st, 1927, the Board wish to draw attention to the continued expansion of the work of the Hospital.

The number of patients treated five years ago was 4,333 compared with 6,334 in 1927. This fact alone bears eloquent testimony to the energy, enthusiasm and skill of the Medical, Surgical and Nursing Staff. The total number of In-Patients treated during the year was 1,394, with an average of 53, and an average length of stay of 14 days, and the total number of Out-Patients was 5,240, with 40,823 attendances, giving an average of 136 patients treated each day throughout the year.

The number of Operations performed during the year was 955, of which 466 were Major and 489 Minor. This shows the amount of work accomplished under adverse circumstances and the urgent necessity of the Board taking the steps they did last year in proceeding with a more up-to-date Hospital, where the work may be done even more satisfactorily than at present.

A great feature of the work has been the number of patients treated as the result of Motor Accidents. The Voluntary Hospitals Association have this question under consideration, and it is hoped that arrangements may be made with Insurance Companies, in order that hospitals may receive financial help for the treatment of these cases.

The work done in the Out-Patients', Casualty and Special Departments, as compared with the numbers treated during 1926, is as follows :—

Turning to the financial aspect of the year's working, it must be most encouraging to the Subscribers to know that in spite of the bad trade prevailing throughout the Infirmary Area, the finances have come out so well. Every source of income shows a reduction, with the exception of the Hospital Saturday Fund, which shows an increase of £412 13s. 11d. This increase has been brought about by a larger number of employees adopting the 1d. per week system, but there are many mills and workshops which have not yet come into line, and it is hoped that next year a still greater increase will be recorded. The Board would here express its great indebtedness to the various Hospital Saturday Committees and Collectors for the increased interest they take on behalf of this Charity.

Referring to the Expenditure, it is pleasing to note that the Housekeeping and Medical and Surgical Departments show a decrease from 1926, but the Salaries show an increase of £149 13s. 6d. This is mainly due to the increased number of nurses to cope with the increased work, and to bring the time of off-duty more up-to-date for the Nursing Staff.

The Board have to report several changes on the Honorary Medical Staff. Mr. Charles Rippon, after 30 years of most faithful and valuable services, retired from the position of Dental Surgeon, and was unanimously elected Hon. Consulting Dental Surgeon, this enabling the Board to continue to have

THE NURSES' HOME.

the benefit of his wise council and skill. He was succeeded by Mr. G. D. Iles. Dr. Wm. Simpson, of Ossett, the Honorary Anæsthetist, resigned owing to leaving the district, and was succeeded by Dr. W. D. Mitton, of Ossett. Dr. D. J. Duhig, of Heckmondwike, was appointed Hon. Assistant Aural Surgeon in place of Dr. D. LaTouche, who resigned. Dr. G E. Peckett Davis, of Liversedge, who has rendered most valuable services for a number of years, resigned his post on leaving the district, and the Board would place on record their appreciation of the skill and ability displayed in the treatment of the patients under his care. Dr. J. Allan MacLean, of Liversedge, has been appointed to the vacancy, Dr. J. J. D. LaTouche, of Ossett, being elevated to the Senior Staff.

The Board tender their hearty thanks to the Honorary Consulting and Honorary Medical Staff, Hon. Dental Surgeon, and Hon. Masseuse for their services which, as in previous years, have been willingly and cheerfully rendered. It is to their ability and attention that in a great measure the Infirmary owes the position it has so long maintained and the popularity which it so well deserves.

The Board acknowledge with gratitude the receipt of £2,000 from the executors of the late Mr. Arthur Oldroyd, and £1,000 from Mr. Alfred Ramsden, late draper, of Dewsbury. The latter amount has been placed to the Endowment Fund, which brings that Account close up to £47,000.

The Convalescent Fund still continues to grow, through the kindness of Miss Thwaites, the Head Mistress, the Lady Teachers and Pupils of the Wheelwright Girls' Grammar School. The Board desire to express their gratitude for the generous support received from this source.

It is pleasing to note an improvement in the collections from the Sunday Schools throughout the Infirmary Area, and it is hoped that this will continue. The Board are most thankful to all who have helped to bring this about.

It is with profound regret that the Board have to record the death of Sir Mark Oldroyd, Kt., who, since the inception of the Institution in 1876, and up to the time of his death, took such a lively interest in everything connected with the Hospital. His shrewd council, help and influence were invaluable, and the following resolution was passed by the Board at their meeting held on July 12th :—

"That the Dewsbury & District General Infirmary Board, whilst deeply regretting the death of Sir Mark Oldroyd, Kt., rejoices that his life was spared long enough to enable him to carry out his ardent desire to lay the Foundation Stone of the New Infirmary. It expresses its thankfulness for the many services rendered by him and for the munificent sums given by him to the Infirmary, and for the interest he continually shewed in it and its work."

To the Clergy and Visitors, Ladies Visiting Committee, Ex-Patients' Association, R.A. Order of Buffaloes, various Sunday Concert Committees, Operatic Societies, Alexandra Rose Day helpers, etc., and everyone who has worked hard during the year, the Board beg to offer their most sincere thanks.

Finally, whilst the Board appreciate to the full the excellent support given to the Institution during the past year, they appeal most earnestly for an even greater measure of support during the present year, so that the Infirmary may be maintained in its present high state of efficiency, and that the cost of the urgently needed Hospital liquidated, so that the noble work may be carried on free from anxiety or financial embarrassment. To this end, the Board trust that all who can will subscribe to the best of their ability both to the Maintenance and New Building Fund during the year.

NEW INFIRMARY.

In the last Annual Report the Board gave a detailed description of the plans prepared by Mr. T. W. Sharpe, the Architect for the New Infirmary. Since then the Contracts have been let, and it will be gratifying to the friends of the Institution to know that the Board have been able to place the major contracts with firms in the Infirmary Area. The work of erection has been pushed forward, in spite of the adverse weather which the contractors have had to contend with.

The work of the Committee in regard to the New Infirmary has been fully reported in the Local Press from time to time, as decisions were arrived at.

The Foundation Stone was laid on June 18th by the late lamented Sir Mark Oldroyd, Kt. On the previous evening, His Worship the Mayor, Alderman J. E. Kilburn, convened a Public Meeting of the inhabitants of the Infirmary Area, which was well attended. Resolutions were carried that a Public

Subscription should be organised and that a Bazaar shall be held in the New Infirmary Buildings when they are completed in 1929. Donations were announced at the close of the Meeting amounting to about £24,000, and at the end of the year the list reached the magnificent sum of £34,000. There is still a large sum to be raised, and those who have not yet subscribed to the Building Fund are earnestly asked to do so, particularly employers of labour, to whom, as to the people in their employ, the New Hospital cannot fail to be of the greatest service.

In October the Foundation Stone of the New Nurses' Home was laid by Miss Jane Walker, J.P., M.D., of London, and although the proceedings were marred by most inclement weather, the function proved most successful.
